Friends,

Milwaukee County reforms have been the hot topic of discussion over the past few months. I campaigned on reform and looking at my votes on the Board floor I have followed through. I brought forward a downsizing plan and the Board approved a resolution asking the State to allow us to downsize and redistrict.

However, on Monday at the Intergovernmental Relations Committee I supported the Milwaukee County Board developed reform package. The very next day I read the Milwaukee Journal Sentinel story detailing what appears to most as negotiations with AFSCME, which is a clear violation of Act 10. As I previously stated, Act 10 is the law of the land and if members of the Board are willingly and knowingly violating this law then how can I honestly trust that they will follow through with the proposed Board reforms.

This is the first time in my 9 year political career that I can recall where in less than 24 hours after voting on an issue I felt that I made a mistake. Rarely in politics do you get a do over and I decided to take full advantage of this opportunity, reverse my decision and vote against the Board's reform proposal.

Due to what appears to have gone on behind closed doors over the past few months, my confidence in this body and its leadership has greatly eroded. That is why the only chance for real reform to take place in Milwaukee County is for it to occur in Madison.

I want to thank all of those who have reached out to me over the past few months in order to give me their insight and opinions. As I have said in the past, I cannot do this alone and without your support and encouragement we will not be able to Move Milwaukee County Forward.

All My Best,

HONORING INSPECTOR GAYLORD HAHN

Supervisor Taylor presented a Certificate of Recognition on behalf of the Milwaukee County Board to Gaylord Hahn in honor of his 40 years of faithful and distinguished service with the City of Franklin Police Department.

Mr. Hahn was appointed as the City of Franklin Patrolman on March 12, 1973 and currently holds the rank of Inspector. Throughout his 40-year career he has exemplified uttermost professionalism as a dedicated member of the law enforcement community and in doing so he greatly contributed to the safety and well-being of Franklin residents and visitors alike.

Congratulations on your well-deserved recognition Gaylord!

HALES CORNERS NAMED TREE CITY USA

The National Arbor Day Foundation once again named the Village of Hales Corners a Tree City USA to honor its commitment to community forestry. Hales Corners has received this recognition annually since 2001, having met the four standards to become a Tree City USA community: a tree board or department, a tree care ordinance, a comprehensive community forestry program, and an Arbor Day observance.

Please consider joining the Arbor Day celebration on this Saturday, April 27th at Schoetz Park located on 116th Street between Grange and Edgerton. The festivities will begin at 10AM and include a proclamation by Village President Robert G. Ruesch, ceremonial tree planting and seedling give away.

For 2013, the Village has chosen to plant a Yellow Birch and will distribute free Burr Oak and Red Oak saplings. Please contact Michael Martin, Hales Corners Public Works Director, at (414) 529-6161, ext. 235 for more information.

The Tree City USA program is sponsored by the National Arbor Day Foundation in cooperation with the National Association of State Foresters and the USDA Forest Service.
